3. DISCLAIMER OF LIABILITY

The RESPONSIBLE disclaims any type of liability arising from the information published on its website whenever it has no actual knowledge that this information has been manipulated or introduced by a third party unrelated to it or, if it does, has acted diligently to remove the data or make access to them impossible.

Use of Cookies

This website may use technical cookies (small information files that the server sends to the computer of the person accessing the page) to carry out certain functions that are considered essential for the correct operation and visualization of the site. The cookies used are, in any case, temporary, with the sole purpose of making browsing more efficient, and disappear when the user's session ends. In no case do these cookies provide personal data by themselves and are not used to collect them.

Link Policy

From the website, it is possible to be redirected to content from third-party websites. Since the RESPONSIBLE cannot always control the content introduced by third parties on their respective websites, it does not assume any type of responsibility concerning such content. In any case, it will proceed to the immediate removal of any content that may contravene national or international legislation, morality, or public order, immediately removing the redirection to said website and informing the competent authorities of the content in question.

The RESPONSIBLE is not responsible for the information and content stored, including but not limited to, in forums, chats, blog generators, comments, social networks, or any other medium that allows third parties to publish content independently on the RESPONSIBLE's website. However, and in compliance with the provisions of Articles 11 and 16 of the LSSICE, it is made available to all users, authorities, and security forces, actively collaborating in the removal or, where appropriate, blocking of all content that may affect or contravene national or international legislation, third-party rights, or morality and public order. In the event that the user considers that any content on the website may be classified as such, they are requested to notify the administrator immediately.

IP Addresses

The website's servers may automatically detect the IP address and domain name used by the user. An IP address is a number automatically assigned to a computer when it connects to the Internet. All this information is recorded in a server activity file that allows for the subsequent processing of data to obtain purely statistical measurements that enable knowledge of the number of page impressions, the number of visits made to the web servers, the order of visits, the access point, etc.

4. APPLICABLE LAW AND JURISDICTION

For the resolution of all disputes or issues related to this website or the activities carried out on it, Spanish legislation shall apply, to which the parties expressly submit, being competent for the resolution of all conflicts derived or related to its use the Courts and Tribunals of the USER's domicile or the place of fulfillment of the obligation.
